**Connecticut Delegate Selection Plan
For the 2024 Democratic National Convention**

**Section I
Introduction & Description of Delegate Selection Process**

A. Introduction

1. Connecticut has a total of 74 delegates and 5 alternates. (Call I & Appendix B)

2. The delegate selection process is governed by the Charter and Bylaws of the Democratic Party of the United States, the Delegate Selection Rules for the 2024 Democratic National Convention (“Rules”), the Call for the 2024 Democratic National Convention (“Call”), the Regulations of the Rules and Bylaws Committee for the 2024 Democratic National Convention (“Regs.”), the rules of the Democratic Party of Connecticut, the Connecticut election code, and this Delegate Selection Plan. (Call II.A)

3. Following the adoption of this Delegate Selection Plan by the State Party Committee, it shall be submitted for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The State Party Chair and/or the Delegate Selection Executive Committee, whose members the State Party Chair shall designate, shall be empowered to make any technical revisions to this document as required by the RBC and/or public comment to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the State Party Chair, and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. (Reg. 2.5, Reg. 2.6 & Reg. 2.7)

4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the State Party will be submitted to and approved by the RBC before it becomes effective. (Reg. 2.9)

B. Description of Delegate Selection Process

1. Connecticut will use a proportional representation system based on the results of the Primary for apportioning delegates to the 2024 Democratic National Convention.

2. The “first determining step” of Connecticut’s delegate selection process will occur on April 2, 2024, with a Primary.

C. Voter Participation

1. Participation in Connecticut’s delegate selection process is open to all voters who wish to participate as Democrats. (Rule 2.A and Rule 2.C)
 - a. Democrats are determined as all those registered on the voter checklist as Democrats in the Primary on April 2, 2024.

- b. Registration Deadline for “New Voters” and “Unaffiliated Voters” in the Primary:
To register by mail, applications for new voters must be postmarked by March 29, 2024 the 5th day before the primary or received in person by the Registrar of Voters by the 5th day before the primary. To register in person, voters may apply with their town clerk or registrar until the day before the Presidential Primary. Party preference must be indicated on the State of Connecticut Voter Registration Form in Box 9.

Registration Deadlines for “Enrolled party members” to transfer enrollment from one party to the other for the primary:

To be eligible for voting in the “new” party’s presidential primary the voter must transfer their enrollment by January 2, 2024.

- c. To encourage participation by youth in the delegate selection process, any individual who will have turned 18 by the date of the general election will be allowed to participate in the delegate selection process. (Reg. 4.3.C)
- d. At no stage of Connecticut’s delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. (Rule 2.D & Reg. 4.4)
- e. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election. (Rule 2.E)
- f. Votes shall not be taken by secret ballot at any stage of the delegate selection process, including processes leading up to the selection of DNC Members by virtue of their office, except that use of such voting by secret ballot may be used in a process that is the first determining stage of the delegate election process and in which all individual voters who wish to participate as Democrats are eligible to do so. (Rule 2.F)
- g. No person shall vote in more than one (1) meeting, which is the first meeting in the delegate selection process. (Rule 3.E & Reg. 4.7)

2. Connecticut is participating in the state government-run presidential preference primary that will utilize government-run voting systems. Connecticut’s government-run elections only use paper ballots, utilizing two voting systems: (a) accessible precinct-based optical scan systems or

(b) hand-counted absentee ballots. Connecticut's process complies with Rule 2.H.2, Rule 2.h.2, and Rule 2.H.3.

The State Party has taken (or will take) provable positive steps to:

Seek enactment of legislation, rules and policies at the state and local level to ensure that both optical scan and direct recording electronic systems include recognized security measures. These measures include automatic routine manual audits comparing paper records to electronic records following every election and prior to certification or results where possible; parallel testing on election day; physical and electronic security for equipment; banning the use of wireless components and connections except where required to provide a voter with a disability a secure and approved means to access voting materials and exercise the right to vote; public disclosure of software design; use of transparent and random selection for all auditing procedures; and effective procedures for addressing evidence of fraud or error. (Rule 2.H.3)

After thorough testing and research, optical scan voting machines were chosen to replace our old lever machines, and the IVS vote-by-phone system that allows people with disabilities to vote privately and independently was chosen. The Secretary of State also created a partnership with the University of Connecticut and asked that they report any risks associated with the use of the optical scan voting machines. Their report documented that the optical scan voting machines were reliable and accurate. Since Connecticut does not transmit any data or results over the Internet or telephone lines, hacking into the machines is nearly impossible.

3. In accordance with the Democratic Party's requirement to assess and improve participation with respect to presidential preference and the delegate selection process, Connecticut has taken steps to establish ongoing voter protection programs to support educational, administrative, legislative and litigation-based efforts to protect and expand the vote and advance election fairness and security. The Connecticut Democratic Party supports the current proposed legislation described below:

SJ 29: Introduced by the Government Administration and Elections Committee, this resolution would approve an amendment to the state constitution to allow for no-excuse absentee voting.

SB 1057: Introduced by the Government Administration and Elections Committee, this act would establish early voting beginning in 2023 for certain elections and beginning in 2024 for certain primaries, (2) establish the number of days and hours of and implement procedures for the conduct of, such early voting, (3) provide for same-day election and same-day primary registrations during periods of early voting, (4) make conforming changes to deadlines for the performance of certain duties prior to an election or primary, and (5) require the Secretary of the State to undertake efforts to educate the public about early voting and train registrars of voters regarding the administration of early voting.

SB 1064: Introduced by the Government Administration and Elections Committee, this act would (1) establish early voting beginning in 2023 for certain elections and beginning in 2024

for certain primaries, special elections and referenda, (2) establish the number of days and hours of, and implement procedures for the conduct of, such early voting, (3) provide for same-day election and same-day primary registrations during periods of early voting, (4) make conforming changes to deadlines for the performance of certain duties prior to an election or primary, and (5) require the Secretary of the State to undertake efforts to educate the public about early voting and train registrars of voters regarding the administration of early voting.

HB 6693: Introduced by the Government Administration and Elections Committee, this act would provide (1) that absentee ballots delivered to the ballot counters by the municipal clerk before or at six o'clock p.m. on the day of an election, primary or referendum are to be counted immediately upon such delivery, (2) for notification of individuals whose absentee ballots may be rejected due to a defect so that such individuals are able to either correct such defect or vote in person, (3) prepaid postage to absentee ballot applicants for the return of such absentee ballots, and (4) that absentee ballot applications that have been completed and signed are public records subject to public inspection.

(Rule 2.I.1.b, Rule 2.I.1.c, Rule 2.I.1.d, Rule 2.I.1.e).

4. As part of encouraging participation in the delegate selection process by registered voters, the state party is supporting the following legislation:, (Rule 2.I.2)

SJ 35: Introduced by the Government Administration and Elections Committee, this resolution proposes a state constitutional amendment to allow individuals who have attained the age of sixteen to apply for admission as electors and to be so admitted upon attaining the age of eighteen.

5. The Connecticut Democratic Party has a year-round voter protection program that includes lawyers who engage on these issues. Prior to Election Day, the Connecticut Democratic Party does voter and volunteer education about voting laws and voter suppression. On Election Day, the party has a voter protection hotline available so that voters can report any acts of suppression and disenfranchisement. The party also has volunteers survey polling locations across the state for potential acts of suppression or disenfranchisement. (Rule 2.J and Rule 2.J.1)

6. Voter Participation

Early Voting will begin on March 26, 2024 and end on April 1, 2024. Connecticut does not have vote by mail or no excuse absentee ballots.

7. Scheduling of Delegate Selection Meetings

It is the responsibility of the Connecticut State Party to select the dates, times, and places for all official Party meetings and events related to Connecticut's delegate selection process. The dates, times and places for all official Party meetings and events related to Connecticut's delegate selection process have been scheduled to encourage the participation of all Democrats. Such meetings will begin and end at reasonable hours. The Connecticut State

Party will consider any religious observations that could significantly affect participation. (Rule 3.A & Reg. 4.5)

Section II Presidential Candidates

A. Ballot Access 70, 55

1. In accordance with Connecticut State Law, nationally recognized candidates for the Democratic nomination for President will be placed on the presidential preference primary ballot by the Secretary of State at 10:00 am on January 19, 2024. Said petitions are to be filed with the Democratic Registrars of Voters in the towns where the signers reside. Please note the Connecticut Secretary of the State does not certify the presidential preference primary results. (Rules 10.B., 13.A., 13.B., 13.D., 13.E., & 13.H.)

B. Other Requirements

1. Each presidential candidate shall certify in writing to the State Democratic Chair, the name(s) of their authorized representative(s) by February 9, 2024(Rule 12.D.1)

Section III

Selection of Delegates and Alternates

A. District-Level Delegates

1. Connecticut is allocated 40 district-level delegates. (Rule 8.C, Call I.B, I.I, & Appendix B)
2. District-level delegates shall be elected by a:

a. District-level delegates shall be elected by a presidential preference primary followed by a post-primary caucus to be held on May 1, 2024. All Democratic voters are eligible to attend the caucuses of their choice in the congressional district in which they reside.

The caucuses will be held at central, accessible, adequate sites chosen by Presidential State Coordinators for the respective qualifying presidential preferences in consultation with the State Chair. The Temporary Moderators of said caucuses shall open the caucuses at 7:00 p.m. and shall bar from participation any person who refuses to sign a statement of support for that presidential preference. Each caucus participant shall indicate that they are an enrolled Democratic elector residing within the congressional district. Detailed guidelines for the conduct of the delegate selection caucuses shall be drawn up by the Democratic State Central Rules Committee and approved by the State Central Committee no later than April 4, 2024. After the caucuses are held, the Presidential State Coordinators shall notify the State Chair immediately of the delegates and alternates elected.

3. Apportionment of District-Level Delegates

a. Connecticut’s district-level delegates are apportioned among the districts based on a formula giving: (Rule 8.A, Reg. 4.10, Reg. 4.11 & Appendix A)

(1) Equal weight to total population and to the average vote for the Democratic candidates in the 2016 and 2020 presidential elections.

Basing delegate allocations on the vote for Democratic candidates in the last two presidential years increases inclusivity because turnout by Connecticut’s Democratic voters is substantially larger in presidential elections as compared to other elections. Using turnout information from elections that exhibited enhanced participation by Democratic voters results in an allocation that better reflects the actual distribution of Democrats among districts.

b. The number of men and the number of women in the state’s total number of district-level delegates will not vary by more than one. (Rule 6.C.1 & Reg. 4.9)

c. The district-level delegates are apportioned to districts as indicated in the following table:

DISTRICT	DELEGATES		
	MALES	FEMALES	TOTAL
#1	4	4	8
#2	4	4	8

(Rule 13.E.1 & Reg. 4.25)

c. Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative(s), signifies otherwise in writing to the State Democratic Chair not later than April 16, 2024 at 5:00PM (EST).

d. National convention delegates and alternate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate's authorized representative(s), may not be elected as a delegate or alternate at that level pledged to that presidential candidate. meet the affirmative action and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved district-level delegate candidates and district-level alternate candidates as indicated in Section III.A.5.b of this Plan.

6. Fair Reflection of Presidential Preference

a. Presidential Primary - Proportional Representation Plan (Rule 14.A, Rule 14.B & Rule 14.D)

The Connecticut presidential primary election is a “binding” primary. Accordingly, delegate and alternate positions shall be allocated so as to fairly reflect the expressed presidential (or uncommitted) preference of the primary voters in each district. The National Convention delegates and alternates selected at the district level shall be allocated in proportion to the percentage of the primary vote won in that district by each preference, except that preferences falling below a 15% threshold shall not be awarded any delegates or alternates.

b. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be half the percentage of the vote received in that district by the front-runner. (Rule 14.F)

There will be no secret ballots.

Said statements of candidacy shall include name, gender, age, race, voting address and presidential preference of each prospective delegate and shall be signed by said aspirant. Each statement shall be considered to be a pledge of support for the presidential named therein. (Rule 12.E.(1))

Procedural rules and voting guidelines shall be in accordance with DNC, State Party, and Robert’s Rules of Order.

7. Equal Division of District-Level Delegates

a. To ensure the district-level delegates are equally divided between all genders, the gender of the first delegate elected in each district will be designated and then alternate to be of a different gender. At the time of election of delegates in the district, the binary gender advantage will alternate as delegate positions are filled and the alternation shall continue across presidential preferences in order of vote-getting preference. Non-binary gender delegates shall not be counted in either male or female category. (Rule 6.C., Rule 6.C.1 & Reg. 4.10)

b. The delegate positions shall be pre-designated so that the gender of the first position to be filled by the winning presidential candidate is predetermined. Once the allocation of district delegates

among presidential preference(s) has been calculated, the remaining delegate positions can be assigned to the presidential preference(s) in order of vote won, alternating by gender.

8. The State Democratic Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of the state's district-level delegates and alternates to the Democratic National Convention within 10 days after their election. (Rule 8.C & Call IV.A)
